We provide resources for people searching for faith through our website *Spiritual Journeys* with more than 1000 things to explore, look, do, ask and dream

We provide mission theological thinking on current issues, including on Migrants Money Flooding Trafficking Food banks Lent and Advent

We provide materials on peace and reconciliation through our book *Unreconciled?* and through active peacemaking through our members in Calais

We are committed to appropriate and effective evangelism using our book *Sense Making Faith* and our work on five themes in the theology of evangelism

We specialise in mission in relation to social action, through *The Dispossession Project*, and in our work on social engagement and evangelism  
  
*Deeper into God.....*
